Blacksmithing

These are books that I own and have read several times. Each has some great information and projects listed.

"The Complete Modern Blacksmith" (combination of his 2 books The Making of Tools and The Modern Blacksmith)

By: Alexander G. Weygers ISBN 978-0-89815-896-0

"Practical Projects for The Blacksmith"

By: Ted Tucker ISBN-13: 978-0878573127

"The Art of Blacksmithing"

By: Alex W. Bealer ISBN 0-06015225-7

"The Backyard Blacksmith"

By: Lorelei Sims ISBN-13: 978-0785825678

*****Check out your local city or county library for copies of Blacksmithing books to review prior to buying.
